Workshop details:

Catalyse is offering an intensive 2-day Supervision Workshop for those who are in the process of becoming ACAT accredited supervisors, those who are considering this step, or those wanting to improve their CAT supervision skills. It forms part of the formal ACAT training route - details at this link: www.acat.me.uk. It offers an ACAT-approved alternative to sitting-in with a senior supervisor.

The training will cover aspects of:

- the relational approach to CAT supervision
- challenges in the supervision relationship
- building a supervisory alliance
- use of self
- parallel process
- working with process in the room
- supervision of development of CAT tools
- dynamics in supervision groups
- enactments and ruptures
- ethical issues
